

# The Whole World — it's in our hands!

You know the song, now share the message!

Everyone's talking about the importance of preserving our planet's precious resources. This funky, colorful eco-book is perfect for inspiring young children (and grown ups!) to live green and make a difference!

A portion of sales benefit  
global conservation

Music CD features well-known singalong  
song with an environmental twist

Printed on ancient forest  
friendly paper

Includes great tips on how to  
keep our earth healthy and happy

**Whole World**  
Illustrated by  
Christopher Corr  
Song by  
Fred Penner

Hardcover with  
Music CD
