

CPSIA Certification of Compliance

Pursuant to the requirements of the Consumer Product Safety Improvement Act of 2008, Barefoot Books, Inc. hereby certifies that all book titles manufactured and imported comply with applicable product safety regulations contained within Section 101 and Section 102 including standards established for lead and phthalate content.

LEAD/HEAVY METAL COMPLIANCE: The components listed below of Barefoot Books, Inc. products have been tested for lead content and all other heavy metals, as required by the CSPIA. All product components meet or exceed the CPSIA's strictest testing requirements (less than 100 ppm, effective 8/14/2011).

PHthalate COMPLIANCE: The components listed below of Barefoot Books, Inc. products have been tested for phthalates and do not contain any phthalate level above 0.1%.

COMPONENT TESTING: Barefoot Books, Inc. products are currently manufactured on an ongoing basis in Singapore and China. The following components have been tested and found to be in compliance with Consumer Product Safety Improvement Act of 2008 standards:
